

## About the Course

The Crossings Golf Club originally opened in 1997. One of only two original Ron Garl designs in North Carolina, it is recognized as one of the most unique layouts in the Triangle area.

The Triangle Business Journal voted The Crossings Golf Club as the Most Challenging Public and Semi-Private Golf Course in Raleigh, Durham and Chapel Hill in 2019, and as the BEST Public and Semi-Private Golf Course in Raleigh, Durham and Chapel Hill in 2020.

We offer different membership levels for individuals and families in hopes of having a level for every golfer

“The Crossings Golf Club was routed to fit the natural terrain locating the best green sites and sitting naturally on the land. Our goal was to create a course where golfers have a pleasant experience.”
